

Event Partnership

Children's Health | Cancer Care | Compass Care | Healthy Yakima

Our Mission:

Advance and transform health care in Yakima.

Our Values:

Philanthropy, Community, Enhancement, Stewardship, Relationships, and Transparency

Our Vision:

Improve health care outcomes for a healthy community.

For more than 35 years, the Memorial Foundation has partnered with the community to enhance and transform health care across the Yakima Valley. Thanks to our community partners' generous support, we've expanded our mission to include a wide range of health programs through MultiCare Yakima Memorial Hospital, serving residents from birth to end of life. We need your help and invite you to join our cause to meet vital health care needs across the Valley.

Be seen by the right people, at the right time.

Partnering with us through event sponsorship connects you with your target audience throughout the year. We offer options from individual event support to multi-event packages, enabling your company to reach thousands of community leaders and key decision-makers in the Valley. Your sponsorship fuels events that raise the necessary funds to improve health care outcomes.

Make a direct impact across the following four initiatives:

Children's Health

Cancer Care

Compass Care

Benefits MultiCare Cancer Institute – North Star Lodge – Crush for Cancer supports the award-winning care at MultiCare Cancer Institute – North Star Lodge and ‘Ohana Mammography Center. The event features wine tasting with local wineries, appetizers, dinner, a patient story, and updates on cancer care programs. It is part of a month-long partnership with wineries to benefit cancer patients.

Funds raised support vital services like patient assistance, pharmacy aid, nutrition supplements, and breast imaging scholarships. Each year, over 5,000 patients benefit from these programs through the Memorial Foundation’s Cancer Care Initiative. Cancer impacts patients and families beyond the physical, and many best practices in treatment are costly and not fully covered by insurance.
